MEMORANDUM FOR THE RECORD

21 April 1977

STATINTL	FROM : ISAS Declassification Section
	SUBJECT: Survey of OTR Records
STATINTL	1. Following the 18 April meeting with DDA declassification focal point officers, the decision was made to redirect part of the existing Archives survey into DDA-originated files. On 20 April, Mr the OTR focal point officer, telephoned C/ISAS to request that his office become involved in the survey in order that the formulation of OTR guidelines could be related to actual holdings (which

STATINTL	2. Subsequent to this conversation I telephoned STAT to inform him of these developments. He thought the idea of OTR participating in the survey was a good one but emphasized that if any disposable records were found in OTR jobs by its surveyors, they should merely note the material and submit a regular disposition request rather than take disposition action themselves. I also received a telephone call from C/AARC, who suggested that it might be a good idea for the OTR personnel to conduct their survey at the Archives,

	3. At the meeting that afternoon I discussed the records survey requirements at some length with and They received copies of the survey plan and form, and were shown a completed survey case file. They were amenable to the suggestion that they begin their survey STATINTL despite the possible presence of disposable material was emphasized.
